F31FDS-06V-K

产品名称	F31FDS-06V-K
公司名称	东莞市莞端电子有限公司
价格	3.50/个
规格参数	种类:FFC/FPC 品牌:JST/压着端子 型号:F31FDS-06V-K
公司地址	广东东莞市长安上沙管理区中山北路22号
联系电话	86 769 81620932 13652638943

产品详情

jst/f31fds-06v-k 库存400pcs

connectors for signal circuit or power supply circuit, applicable to the factory automation, heavy electric machinery, and other industrial equipment in general.

product profile

series	jfa connector j300 series (w to b 3.81mm pitch)
category	wire to board crimp style connectors
type	disconnectable typecrimp style
feature	with secure locking device, high electric current capacity, high withstanding voltage

specification

pitch	3.81 mm
current rating	15a (single circuit/awg#14)
voltage rating	250v
pc boardmounting direction	top entry, side entry

compliant with rohs.(lf)(sn) as identification part number shall be displayed on a label.when ordering rohs compliant products, please inquire to the nearestjst sales office, or order them with the described part number adding(lf)(sn) as the identification marking after it.

本产品的种类是FFC/FPC，品牌是JST/压着端子，型号是F31FDS-06V-K
