HAOUGER JH5060 PE导电卷膜

产品名称	HAOUGER JH5060 PE导电卷膜
公司名称	江苏飞领新材料有限公司
价格	30.00/公斤
规格参数	品牌:HAOUGER 型号:JH5060 产地:中国
公司地址	盐城市响水县经济开发区城东干道东侧 响陈路北侧
联系电话	18964669969

产品详情

JH5060????(PE????)>>Conductive roll film

Conductive roll film is made of black conductive polyethylene material, which has good electrostatic discharge performance and mechanical properties. Black conductive bag, conductive sheet, conductive strip, black conductive bag, black conductive bag, black conductive plastic bag, black conductive coil film, black conductive sheet, black conductive light-shielding material, wafer pad, conductive strip, and black conductive strip can be made after processing.

These products are widely used in: Dust-free workshop, Cleaning workshop, photovoltaic plant, LED plant, PCB Factory, Electronics Factory, Electrical Appliance Factory, Electronic Instrument Factory, Wafer, LCD/LCM/LED, Opto-electronic Optics, Chip Semiconductor, Laser Magnetic Head, Pharmaceutical and Chemical Industry, Precision Instruments, Healthcare Equipment, Microelectronics Industry, Aerospace, Military Industry, Electronic Components, Opto-electronic Products, Electronic

Devices, Liquid Crystal Products, Opto-electronic Integrated Products, etc.
??????The main technical parameters are as follows:
?????Surface resistance value?103~1011?
??? Width?5~1300mm
??? Length?40~4000m??? Thickness?25~400?m
????????????guanwang??
?For more parameter information, please ask the sales advisor or go to the official website to download
