## HAOUGER JH5063 晶圆垫片、PCB缓冲片、导电分隔片、黑色晶圆隔片

产品名称	HAOUGER JH5063 晶圆垫片、PCB缓冲片、导电 分隔片、黑色晶圆隔片
公司名称	江苏飞领新材料有限公司
价格	.25/片
规格参数	品牌:HAOUGER 型号:JH5063 产地:中国
公司地址	盐城市响水县经济开发区城东干道东侧 响陈路北侧
联系电话	18964669969

## 产品详情

>> The WAFER PAD A waf pad is also called an anti-static accumulation pap, a silicon wafer paper, a buffer pad in a semiconductor waf box, A solar wafer buffer pad, a semiconductor wafer box inner pad, a PCB buffer pad, a conductive spacer, a black wafer spacer, an anti-static wafer spacer, a conductive wafer spacer, a circular wafer spacer, a wafer square, and the surface treatment process thereof is also called an anti-static black embossed wafer pad, an embossed wafer square, and the like.

Such products are widely used in chip manufacturing, packaging and other enterprises TFT-LCD, solar cell wafer, wafer, solar silicon wafer packaging of multi-monocrystalline silicon wafer.??????The main technical parameters are as follows?

?????Surface resistance value?103~1011?

?zui?????Minimum Length and Width Tolerance??±0.5mm

???Width?25-400?m

??????Electrostatic discharge time?

???????????????guanwang??

?For more parameter information, please ask the sales advisor or go to the official website to download.
