Nova Rotors srl螺杆泵

产品名称	Nova Rotors srl螺杆泵
公司名称	海泰美信贸易（北京）有限公司
价格	.00/个
规格参数	
公司地址	西四环南路19号
联系电话	0086-010-83265380 13810823489

产品详情

Nova rotors was fonded in 1990. Nowadays we are a national benchmark in the manufacturing and selling progressing cavity pumps, wobble pumps, flexible impeller pumps and barrel pumps.

Our pumps are distributed throughout the world and applied in different sectors, from waste water treatment plants both civil and industrial, to oenological and the food sector. They satisfying the most varied demands and application needs. The company which is located at the foot of the Berici hills, is supported by an advanced control system. This system is able to follow the quality throughout the productive process thanks to a higly qualified staff sensitive to individual client ’ s needs. Nova Rotors, certified ISO 9001:2008 and e OHSAS 18001:2007, guarantees an efficient way of working which is evident in the product and in the quality of service in terms of lower costs , punctual delivery and best performances. More over we can produce pumps with ATEX proof which is required for applications in explosion areas. The range is characterized by a big choise of models covering a field of capacity up to 420 m3/h and pressures up to 48 bar in order to satisfy different market needs. The constant development of new models together with the customization and innovation created, testities to the continuous attention nova rotors gives to its customer.
