General Information

About expo

21FOOD ONLINE EXPO is the leading food&beverage platform in Asia region, connecting global buyers and suppliers over 17 years. We have helped 500,000+ F&B industries find matched partners and enabled their business to grow and innovate.

Strengthening current business connections, forging new ones, sharing information and acquiring up-to-date insights all become more critical than ever. Don't miss out to secure your space at the show to network with 20000+ global industry peers.

SHOW HIGHLIGHTS

Easy Web Connection For PC & Mobile

Accessible from your standard web browser, you can explore the virtual exhibition hall and view a large number of individual exhibition stands in full HD.

One-click Communication

Personalize your own online profile and electronic business card to network with 20000+ food & beverage industry peers. You can easily have one-to-one communication through video calling, email or online chatting with just one-click.

Exclusive Meet&Match Service

In order to maximize exhibition efficiency and reduce communication costs, 21Food Online Expo launched the "Purchase Matching" service with zero cost. During the expo, procurement requests submitted through the purchase matching service will be matched directly with thousands of exhibitors under the help of one-one project manager.

Live Webcast

Kick off your SHIFT20 experience with a thought-provoking keynote address.

21FOOD ONLINE EXPO launched live webinars to help you recap on hot topics, trends and insights in Food and Beverage Industry.
