Zeta battery marine corrosion resistant grid separator - Green International Energy manufacturer

Zeta alarm systems battery company is a manufacturer of industrial batteries for more than 50 years. It has offices in Malta, Luxembourg, Ireland and Sweden. For energy problems in different industries, we can quickly provide suggestions, confirm and find new solutions. We keep up with the development of the battery industry and will always find new possibilities. In the field of battery energy in Europe, we are a good battery manufacturer.

Based on a wide range of products and services in the UK zeta arm systems battery industry, as well as the expertise and accumulated experience of the UK zeta arm systems, the UK zeta arm systems provides customized energy solutions for customers, covering various industries, including industry, supply chain and logistics, telecommunications, it, high demand energy demand, national defense, construction industry and infrastructure.

Technical features

Sealed construction

- electrolyte suspension system
- Gas recombination
- Maintenance free operation
 - operation in any position
- Low pressure venting system
 - heavy duty grids
- Low self discharge long shelf life
- Broad operating temperature range
- High recovery capacity

Applications

Zeta alarm systems battery is designed for floating charging and cyclic charging. Its high weight and energy density combines a wide selection of size and shape to provide a reasonable choice for batteries in many applications. Some common applications include but are not limited to the following: standby or main power supply

alarm systems

Cable television

Communication equipment

Control equipment

computer

Electronic cash registers

Electronic test equipment

Electronic powered wheelchairs

Emergency lighting systems

Fire & niglon systems

geographic equipment

Marine equipment

Medical equipment

Micro processor based office machines

Portable cine & Video lights

Power tools

solar powered systems

telecommunications systems

Television & video recorders

Toys

uninterruptible power supplies

Vending machines
