

## 30KJ impact roller 6830

产品名称	30KJ impact roller 6830
公司名称	郑州科湃机械设备有限公司
价格	.00/个
规格参数	
公司地址	郑州市管城区中州大道1899号48号楼6层27号
联系电话	15137175109

## 产品详情

The impact compactor is a highly efficient compaction machine. It is mainly suitable for the construction of large foundation projects such as highways, railways, airports, ports, and dikes. It has compaction and economic benefits that are difficult to reach by traditional compaction machines. It is a modern and Construction machinery that cannot be deficient in construction of other projects.
