## 英国BLUE-GATE蓄电池-绿色国际能源制造商

产品名称	英国BLUE-GATE蓄电池-绿色国际能源制造商
公司名称	德尔森电源(青岛)有限公司
价格	100.00/只
规格参数	品牌:英国BLUE-GATE 型号:全系列 产地:英国
公司地址	山东省青岛市城阳区正阳中路216号泰盛城建大 厦3122室
联系电话	15020021768

## 产品详情

英国BLUE-GATE蓄电池-绿色国际能源制造商

????BLUE-GATE???????????????CHALLENGER??????????????CHALLENGER??

Blue-gate battery company is a manufacturer of industrial batteries for more than 80 years. It has offices in Malta, Luxembourg, Ireland and Sweden. For energy problems in different industries, we can quickly provide suggestions, confirm and find new solutions. We keep up with the development of the battery industry and will always find new possibilities. In the field of battery energy in Europe, we are one of the professional battery manufacturers.

Based on the extensive products and services of blue-gate battery industry in the UK, as well as the professional knowledge and accumulated experience of challenger, Challenger provides customized energy solutions for customers, covering various industries, including industry, supply chain and logistics, telecommunications, it, high demand energy demand, national defense, construction industry and infrastructure.

Technical features

Sealed construction

electrolyte suspension system

Low pressure venting system
heavy duty grids
Low self discharge long shelf life
Broad operating temperature range
High recovery capacity
Application parameters description
British blue-gate battery is designed for floating charging and cyclic charging. Its high weight and energy density combines a wide range of sizes and shapes to provide a reasonable choice for batteries in many applications. Some common applications include but are not limited to the following: standing or main power sources:
?????? (TECHNICAL FEATURES)? ???? (Sealed Construction)? ?????? (Electrolyte Suspension System)? ????? (Gas Recombination)? ????? (Maintenance-Free Operation)? ??????? (Operation In Any Position)? ??????? (Low Pressure Venting System)? ?????? (Heavy Duty Grids)? ?????????? (Low Self Discharge-Long shelf Life)? ???????? (Broad Operating Temperature Range)? ????? (High Recovery Capabillity)?????? (APPLICATIONS)
??BLUE-GATE????????????????????????????????????

Gas recombination

alarm systems

Communication equipment

Cable television

Maintenance free operation

operation in any position

Control equipment
computer
Electronic cash registers
Electronic test equipment
Electric wheelchairs
Emergency lighting systems
Fire & niglon systems
geographic equipment
Marine equipment
Medical equipment
Micro processor based office machines
Portable cine & Video lights
Power tools
solar powered systems
Telecommunication system
Television & video recorders
Toys
uninterruptible power supplies
Vending machines
