近年来，消费电子行业的蓬勃发展对展示交流提出了更高需求。基于此，上海市国际贸易促进委员会下属上海国展展览中心有限公司与美国消费技术协会合作主办了亚洲消费电子展 (CES ASIA) ，并成功将其打造成亚洲规模大、发快、专业化程度高的科技盛会之一。受疫情等因素影响，美国消费技术协会今年7月决定退出主办

上海市国际贸易促进委员会决定携手中国电子商会和中国电子音响行业协会举办 Tech G 这一科技盛会。

覆盖消费技术全生态链的 19 个产品类别将得到展示，包括 5G、人工智能、AR/VR、汽车技术、移动通信、音视频、半导体芯片、物联网、智能家居、智能穿戴、智慧办公、智慧零售、游戏及娱乐、无人机、机器人、内容和在线平台、绿色科技、健康及运动科技、初创企业

Located in Taiwan ' s Changhua County, E-Lead was Established in 1983, and was later on the Taiwan ' s Stock Exchange on February 4, 2002. After 30 years of continued development, E-Lead has successfully created innovative products to compete in the Head Unit Infotainment/ Navigation System, Rear-seat Entertainment, Car Sensor and Accessories, and "other electronic car accessory" markets. E-Lead ' s goal is to provide products that provide information to customers to ensure their safety as well as adapt to their changing needs. Currently, E-Lead ' s head office, R&D, manufacturing plants and main marketing office are located in Changhua, Taiwan; another manufacturing plant in Suzhou, China; and a branch company in Samutprakarn, Thailand. The branch company is the start of a global service center project. E-Lead hopes to become a multinational corporation and through strategic alliances with local companies.怡利电子成立1983年，总公司研发中心位于中台湾的彰化地区，于2002年2月4日在台湾证券交易所挂牌上市。历经30多年的发展及转型改革，怡利电子研发产品已成功跨入车载影音导航主机、后座娱乐系统、汽车电子模组等汽车电子原厂一级供应体系，进而提供行车驾驶的安全资讯以满足客户不断变化的需求。

Aiello is an AI startup established by former Googlers and Qualcommers. As we believe that voice is the next generation interface for human computer interaction, we aim for developing an end to end AI voice open platform to enhance business operations and user experience in the hospitality and travel industry. With Aiello's customized AI voice assistant and cloud, hotels not only improve their operating efficiency and services, but also create a unique brand voice that reaches every traveler throughout their journey.雅鸿科技是由前谷歌、高通、联发科和HTC团队共同创立的语音AI开放平台新创公司。我们专注于利用AI技术及机器学习，将一站式智能语音解决方案带入酒店和旅游产业，提升运营效率和旅客体验，实现未来旅游模式。
