

OTECO压力表360000

产品名称	OTECO压力表360000
公司名称	鹏鑫（泉州）贸易有限公司
价格	.00/个
规格参数	品牌:OTECO 型号:360000 产地:美国
公司地址	福建省泉州市鲤城区金龙街道石崎社区商会大楼208室
联系电话	0595000000 18859564765

OTECO 360000 PG,6SD,PSI,S10K,2.06-10K,RJ

OTECO PART NO.: 360000

Oteco manufactures Models 6, 7, & 8 pressure gauges for standard, salt water, and sour gas service. Models 6 & 7 have many common features. In addition to the common features, the Model 6 has a pressure range up to 20,000 psi and the Model 7 has a range up to 6,000 psi. For dual dial face requirements with pressures to 20,000 psi, see the Model 8.

Features:

Gauges are manufactured in OTECO's own factory ensuring the highest quality

The built-in dampening mechanism minimizes wear and mechanical shock providing longer gauge life

Heavy duty seals restrict line fluid from entering gauge mechanism

The gauge mechanism is surrounded by a special oil providing resistance to extreme temperatures, as well as, vibration

and shock

Utilization of safety plugs prevent gauge explosion due to over pressurization
