

NVP2431 datasheet 分享现货供应

产品名称	NVP2431 datasheet 分享现货供应
公司名称	北京冠宇铭通科技有限责任公司
价格	.10/颗
规格参数	型号:NVP2431 封装:76QFN 产地:韩国
公司地址	北京市北京经济技术开发区科创十四街99号28幢 二层207室
联系电话	0316-2364490 13363613550

产品详情

NVP2431

AHDHD Camera ISP

Security AHD

HD CMOS AHD Camera ISP Resolution up to 720p@30fps HD-
over-Coax Transmission Technology

NVP2431H is one of the first EAGLET ISP series. Using AHD technology, NVP2431H realizes HD resolution transmission on coax-based infrastructures. Users can develop robust & cost-effective CCTV system with EAGLET ISP Series. In combination with megapixel CMOS sensors, it facilitates crystal-clear imaging. It provides various analog output formats such as AHD1.0 / CVBS / COMET.

Enhanced image Quality

D--WDR

2D/3D Noise Reduction

Defog

Low Shutter

Key Specifications

MAX.Resolution :1280X1024 Digital Output

input :bt.656,YC16 wltH HV sync

:1.3M CMOS Sensor support AE/AWB Control

:4-ch sub-LVDS,12bit Parallel On-chip MCU&SDRAM

Analog Output User-defined OSD

:AHD 1.0(720p),CVBS(1280H),COMET(1280H)

Physical information

Operatng Voltage 3.3V/1.8V(1/O),1.2V(Internal)

Power Consumpton 400mW(Typical)Package

76QFN(9mmX9mm)Pin compatble wltH

Temperature Range -20~85
