

# H-P Stainless Steel Anti-Seize Compound

产品名称	H-P Stainless Steel Anti-Seize Compound
公司名称	上海恩莱保贸易有限公司
价格	.00/个
规格参数	
公司地址	上海市松江区金高路2388号813室
联系电话	86-021-20228098 13391171050

## 产品详情

H-P Stainless Steel Anti-Seize Compound, Nuclear Grade, ???is formulated with ultra pure graphite and stainless steel powder to meet the demanding requirements of the Nuclear and electrical power generating industry. Each Lot is rigorously tested for halogens, sulfur, nitrates, nitrides, and low melting metal elements specifically restricted for use in Nuclear power plants. Exceeds the purity requirements set forth by Westinghouse and General Electric for use in nuclear power plants as well as turbine applications.

H-P Stainless Steel Anti-Seize Compound, Nuclear Grade contains a premium, fully synthetic, non-melting base grease to withstand temperatures in excess of 450°F (232°C). It will not drip at extreme temperatures. Stainless Steel fillers form a laminar matrix of overlapping particles to shield out moisture, providing a high degree of chemical, corrosion, and UV resistance. Will provide thermal resistance from -50°F to 2400°F (-46°C-1316°C).
