产品详情

日本可乐丽PA9T GW2458HF ---GW2458HF适用于低翘曲和高流量应用，因此非常适合卡连接器。

PA9T application:

It is suitable for SMT electronic connectors (especially for lead-free soldering), automobile parts, and widely used in computers, digital cameras, mobile phones, etc.

PA9T应用：

适用于需过SMT之电子连接器（特别适合无铅锡焊）、汽车部件，广泛应用于计算机、数码相机、手机等。

Keli's only general agent in China (including Hong Kong and Macao) is in Beijing. Since its establishment, Keli has always followed the principle of steady development and gradual progress. It has cooperated with many famous kitchen cabinet Companies in the world, and has also established good cooperative relations with many domestic kitchen cabinet companies, which has won quite good praise in the industry. Among them, Germany bodebo cabinet has listed Keli artificial stone as its partner in China. So far, the project has completed dozens of projects in China. Among them, there are more representative Shanghai Xintiandi Cui Lake heaven and earth Garden (kitchen cabinet for German Bao Bao), Beijing center of Mong block (kitchen cabinet for Arnaud, Germany, La dununa, Germany emmermer), Beijing wealth center (kitchen cabinet for Germany Boffman), Beijing Golden Land International Garden (kitchen cabinet) Fanini, Italy), sunny Shangdong, Beijing (the kitchen cabinet is CoMSIA, Italy)
