

Lubcon Turmoxygen LCO 27 食品级润滑剂

产品名称	Lubcon Turmoxygen LCO 27 食品级润滑剂
公司名称	上海恩莱保贸易有限公司
价格	.00/个
规格参数	Lubcon:LCO 27
公司地址	上海市松江区金高路2388号813室
联系电话	86-021-20228098 13391171050

产品详情

<ul font-size:14px;background-color:#ffffff;"="" style="color: rgb(6, 3, 112);">

TURMOXYGEN LCO 27 是一种通过 NSF-H1 认证的氧气系统润滑剂TURMOXYGEN LCO 27 已经过 BAM 测试，可用于配件和其他带有气态和液态氧的系统。BAM 是柏林的联邦材料研究与测试研究所。本产品专为抗氧而开发，并已通过 BAM（联邦材料研究与测试研究所）的测试。TURMOXYGEN LCO 27 is a lubricant for oxygen systems with NSF-H1 approvalTURMOXYGEN LCO 27 has been tested by BAM for use in fittings and other systems with gaseous and liquid oxygen. BAM is the Federal Institute for Materials Research and Testing in Berlin.This product has been specially developed for resistance to oxygen and has been tested by the BAM (Federal Institute for Materials Research and Testing).In addition, the grease is NSF / H1 registered and suitable for use in the food industry.The oxygen pressure surge limit at an operating temperature of up to 60 ° C is 450 bar. The product has a temperature range from -40 ° C to +260 ° C.The grease is used for lubrication of fittings and packings in the automotive industry, on oxygen devices in the medical sector and on diving stations.Content: 100g TubeColor: white
