On the one hand, drivepro continues to discover works that you may not know but are full of vitality or are gradually forgotten but have immortal souls, and then re-present them to the world in an unexpected way. On the other hand, drivepro provides a good platform for truly outstanding works and designers. They are also dp's most loyal partners, driving and influencing more art design and creation together.

Schuh

In recent years, the already exhaustive exhibition offer of Expo Riva Schuh has found its maximum expression in Gardabags, the fair dedicated to bags and accessories that, from June 2019, made its debut at the Riva del Garda

Exhibition Centre in parallel with the International Exhibition of Volume Footwear.

An event that attracts the main manufacturing districts specialising in leather goods and fashion accessories, Gardabags contributes to strengthening the international business that revolves around the world of accessories thanks to some peculiar strategic advantages:

a consolidated experience in the fashion world, for a conscious and competent selection of exhibiting companies

the fame of one of the most important international events in the fashion world, Expo Riva Schuh

a unique, single international hub dedicated to the manufacturing sector

the opportunity to have one's products enhanced in the brand new location of Pavilion

DSELECTED EXHIBITING COMPANIES

Gardabags' proposal includes the main manufacturing districts of Italy, Portugal, Spain, Germany, Great Britain, Turkey, the United Arab Emirates, India and China. The experience gained over the years by Expo Riva Schuh in the fashion industry guarantees a refined and consistent exhibition offer for this young fair.

THE FAME

The prestigious reputation of the most important world event dedicated to volume footwear, combined with access to a rich, varied and international customer portfolio, is synonymous with business, professionalism and economic development for the entire fashion world.

A SINGLE HUB

Gardabags' debut at the Exhibition Centre together with Expo Riva Schuh gives even more value to the exhibition experience of the buyers expected for the two events. Riva del Garda becomes a single, influential hub designed to provide a concrete response to the continuous demand for total look solutions expressed by the market.

THE PAVILION D

An old industrial complex suitably redeveloped to house the excellent production of the companies exhibiting at Gardabags. Lights, shapes, spaces and materials are harmoniously combined in a concept that enhances fashion trends and encourages the encounter between supply and demand.

EXPO RIVA SCHUH & GARDABAGS - BAG TRENDS

The collections on display at Gardabags offer a preview of the trends for Autumn/Winter 2022, with a play on details, colours and shapes and featuring a wide range of bags suitable for any occasion. The range of bags is diverse and able to suit every kind of personality, from spacious shoppers with long straps to elegant, yet extravagant, clutch-bags with unusual geometric shapes, created from luminous materials with sequins, that dazzle and enhance the overall look for

dark, winter's evenings.

Autumnal colours are in: red, brown and dark green are the predominant colours at Gardabags, those timeless evergreens that never go out of fashion.
