本店所售油画作品均是使用丙烯颜料和油画颜料，由资深画师纯手工精心绘制在高密度板上而成，凹凸有感的画面，丰富的色彩层次。本店油画所用板材，在正式画油画前，需经过切割、订、粘、锯、刨、打叽哩、点缀、喷底漆等13道专

业工序，除去繁琐的人工成本外，就板本身的材料成本，也在油画布所做油画的10倍以上。使用板材，可以很好的体现叽哩效果，必要时候可以配合一定的雕刻工艺，同时又能非常好的表现油画的特色，被

视为是油画和板画的完美结合，是近期油画板画市场中杀出的一匹靓丽黑马。本店所售油画，对应的都为高档产品和高端市场，是走亲访友馈赠的好礼物，即上档次，又有品位，还

实用，并具有很好的收藏和增值效果。同时30副以上可承接指定画油画业务。

introduction

our paintings are elaborately and purely hand-painted in hdf by senior artist with acrylic

and oil painting colours. the oil paintings look like true for the gradation of rich colours. before being painted, the painting plates are made thirteen professional processes, such

as cutting, stapling, pasting, sawing, planing, skin texture, speckling, primer spraying. except for the labour

cost, the material cost of plates is ten times more than the painting of canvas. the paintings have a fine skin

texture effect with the use of plates on which carving craft is practicable. moreover, using of the plates, the

distinguishing paintings enjoy a great popularity in the recent market of oil painting and plate painting of which

paintings are regarded as perfect combinations. our superior paintings are quite popular with those people who visit and give their

friends and relatives gifts, because of paintings' high-quality, practicability, collection value and value-added

characteristics. if the order is more than 30, we can paint according to your specifications.
