产品详情

品名	变形铝合金	产地	上海
牌号	6063	铝含量	98 (%)

美沃金属是欧洲主要铝业系统公司之一，引进德国高科技专业技术设计、生产、制造、检验工业铝型材，散热器型材,电机铝外壳,气缸管型材,异型铝材,灯体型材,桥架型材，换热翅片管,流水线型材,汽车型材,船舶铝型材,电梯型材,框架铝型材，方管，圆管，铝型材配件等新型装饰材料及其他特殊材质的工业材料，所有产品都严格按照iso9001、2000国际质量管理体系生产，并通过了中国铝型材产品质量认证，为客户提供世界一流的产品。

公司主要生产设备包括：580、920t、1460t、1880t、2600t、4050t铝型材挤压生产线，配套以大型型材时效炉、型材立式淬火炉以及全套电脑控制阳极氧化、粉末喷涂和电泳涂装生产线。加工设备包含：冲床、车床、钻床、铣床、磨床、线切、氩弧焊机、点焊机、气体保护焊机、剪板机、数控加工中心、切削中心。

美沃金属为客户打造一条龙服务，模具开发设计，工业铝材挤压生产、工业铝材框架，流水线及配套设备、金属制品深加工、产品销售、技术咨询、售后服务，保证其专业和一流的水准为客户服务，合理的价格体系成为许多世界500强再华企业及工厂指定选用的产品。

美沃金属选用标准化的工业铝材及连接部件，完全保证客户需求，缩短设计组装时间，有效控制成本和工程进度，完美创造您的系统和理想空间。

美沃金属的金属深加工，机械精加工在业内享有盛誉，设计开发生产各种专业流水线，航空、汽车、电子行业的实验检测设备、工装夹具、工具箱、机箱外壳、异型加工、各种金属装饰、冲、车、钻、铣、磨、刨、焊接成型加工系列等制品。

美沃金属“信誉为本，客户至上”为宗旨，提供真正适合客户需求的服务。

mevor metal products company, the leader in europe an aluminum industry, provide first-class industrial aluminum related services: design, production, manufacture and inspection. webrought in high technology from germany and make production according to international quality management system iso9001-2000, meanwhile, won the national aluminum products quality certification.

mevor own extrusion of aluminum assembly line with 580、 920t、 1460t、 1880t、 2600t、 4050t, matches large sized special aging oven, quenching furnace profiles and full suite of computerize anodic oxidation, coating and electrophoretic painting line. processing sets include:punch, lathe, drilling machine, contouring machine, grinding machine, wire cutting machine, spot welding, gas shield weld, late shears, cnc machined and cutting center.

mevor metal products company provide a series of service, including: mould r&d, production of industrial aluminum extrusion, industrial aluminum frame, streamline and corollary equipment, metal products further processing, sales, consultant and after-sales service. our professional in production, first-class service and reasonable price guarantee us became the supporting supplier of world top 500 company and their manufacture in china.

mevor metal products company adopt standard industrial aluminum products and connecting parts to meet our customers" needs, to create a perfect system and space for you efficiently.

we hold the tenet:" based on honesty , and customer oriented" , provide satisfied service to our customers.

r&d in lab inspection instrument in the line of kinds of streamline, aerial, automotive and electronic as well as fixtures, tool box, computer case, irregular processing, metal accessories, processing serious in pressing, punching, drilling contouring, milling, metal welding, welding.
