

hall sensor ic

产品名称	hall sensor ic
公司名称	北京东世科技有限公司
价格	.00/个
规格参数	品牌:innosen(易良盛) 型号:ES2881 封装:SOT23-3L
公司地址	北京市丰台区科学城恒富中街2号院1号楼恒富大厦6508室
联系电话	86 010 67996688 13910256878

产品详情

品牌	innosen(易良盛)	型号	ES2881
封装	SOT23-3L	批号	多批批号
类型	其他IC		

innosen technology (tianjin) co.,. ltd. is a design house focussing on development, manufacture and market for various sensor ic, and has a design team with much experience of ic design and ic process. through the full cooperation with foundries, innosen has developped a series hall ic products based on bipolar, cmos, and bicmos process, including cmos switch hall ic, linear hall ic, and micropower cmos hall ic. the produts are applied in dc brushless motor, mobile phone, notebook,home applicances, industry control, e-bike and etc.
