

## vinyl dip浸塑制品

产品名称	vinyl dip浸塑制品
公司名称	张家港保税区双祥贸易有限公司
价格	1.00/件
规格参数	产商/产地:双祥 材质:vinyl dip 颜色:色卡
公司地址	中国 江苏 张家港市 大新镇年丰桥东1000米
联系电话	86 0512 58760611/56185128 13962252777

## 产品详情

产商/产地	双祥	材质	vinyl dip
颜色	色卡	产品规格	25 ( mm )

the dip molding process

a basic understanding of dip molding can be simplified by relating it to the art of candle making. a heated metal mold is immersed or "dipped" in a tank of liquid plastisol (pvc). the heat from the mold attracts the cool plastisol and the part is formed. the molds are extracted from the liquid and heat cured. after the parts are cured, they are cooled and stripped from the molds.
