

专业制造铝压铸模具 铝压铸模具

产品名称	专业制造铝压铸模具 铝压铸模具
公司名称	宁波市鄞州协力铝压铸厂
价格	.00/个
规格参数	别名:铝压铸模具 规格:压铸模具 品牌:协力
公司地址	宁波市鄞州区姜山镇上张村
联系电话	086 0574 88457849 13605887121

产品详情

别名	铝压铸模具	规格	压铸模具
品牌	协力	适用机械	压铸产机品
型号	模具		

本厂专业生产铝、锌等有色金属压铸件,企业本着"质量第一,诚信为本"的宗旨,积极面对市场,提供优质产品服务。企业配备精良的加工设备,并聘请专业的高水平技师进行模具设计和系列产品开发。本厂生产的各类锌、铝压铸件产品远销东南亚及美国、日本、欧洲等国家及地区,深得国内外客户的好评。企业热忱欢迎国内外客商及外贸企事单位前来洽谈业务。真诚期待与您的合作!如有需要请联系我们!我们一定以最优惠的价格给予你们最优质的产品与服务!

the factory situates in shang zhang industrial park, jiangshan town, which is an important pearl town in the south of coastal developed city--ningbo, the geographical position is superior, and the traffic is well developed.our factory specializes in the production of nonferrous metals die casting pieces such as aluminium, zinc, etc. the factory belongs to the electrical machinery plant; produces all kinds of yycjm special gears moderating electrical machinery series such as 6w、15w、25w、40w、60w、90w, etc. and we can design and produce various kinds of special electrical machineries according to different customer demands.the enterprise implements talent"s strategy; now we have one senior engineer and two senior technicians. in line with the aim of "quality first, based on sincerity ", we actively face the market and offer best quality product and service.the enterprise allocates superior processing equipments, and employs professional high-level technicians to carry on the mould design and development of electrical machinery serial products. company 's all kinds of zinc, aluminium die casting products and yycjm special gears moderating electrical machinery series are widely sold to countries and regions such as southeast asia, u.s.a., japan, and europe, etc. and they deeply won favorable comments from domestic and international customers. the enterprise warmly welcomes domestic and international traders, foreign trade enterprises and units to negotiate the business.
