## 产品详情

品牌	意大利AT	型号	atpt
产品用途	驱动阀门	驱动能源	气动执行器
	standard series 90°rotation n°15 sizes double acting -torque at 5.5 bar: from 6,7 nm to 4.955 nm -torque at 80 psi: from 59,1 lb-in to 44.900lb-in n°14 sizes spring return -spring torque: from 3,4 nm to 2.207 nm -spring torque: from 29,8 lb-in to 19.530lb-in		
	3position or dosing actuator with externaladjustable intermediate position available in:		
	-90°rotation double acting -90°rotation spring return -120°and 180°rotation double acting		
			actuator with 100% external travel stop
			fast acting actuator

lock-out capability in fully-open or fully-closed position

double acting and spring return actuator with hydraulic speed control

forged stainless steel double acting and spring return actuator

double acting actuator in 120° 135° 180° or other stroke available in 9 sizes

spring return actuator in 180° stroke available in 9 size

180° spring return actuator with 90° fail safety position
