

金属彩石瓦 彩石蛭石金属瓦 stone coated stteel roof tiles

| | |
|------|--|
| 产品名称 | 金属彩石瓦 彩石蛭石金属瓦 stone coated stteel roof tiles |
| 公司名称 | 佛山市三水区西南街华南化工粘胶涂料厂 |
| 价格 | .00/个 |
| 规格参数 | 材质:55%镀铝锌板 产地:广东 规格:1170*3801340*380 |
| 公司地址 | 佛山市三水区西南街董村新公路边沙地（土名） |
| 联系电话 | 86-75787728992 13923100031 |

产品详情

| | | | |
|----|-------------------|------|--------|
| 材质 | 55%镀铝锌板 | 产地 | 广东 |
| 规格 | 1170*380 1340*380 | 抗压强度 | 》30MPa |
| 品牌 | 百特华美 | 用途 | 高级别墅屋面 |

the stone coated stteel roof tiles is our factory independently developed high-tech products, i plant engineers have integrated more than ten years experience in the production of adhesives and coatings technology crystallization of science and technology. substrate with corrosion performance of galvanized steel, adhesive coating is developed by our factory is extremely flexible and high weather resistance and adhesion function of cross-linked with a special water-based environmentally friendly resins.

its excellent leveling the gravel for the surface layer of natural colored tile surface is even more solid and colorful three-dimensional effect

。

our surface protection coating is specially excellent uv resistance and greatly improve its weather resistance, strong waterproof hydrophobic properties, low surface activity can be a flexible function of imitationlotus leafself-cleaning bynano coatings, reduce water and dust to accumulate, so that tile color lasting for years, unparalleled in other similar products new advanced roofing materials.perfectquality management system, advanced automated production lines to ensure product quality first customer first.welcome to open up europe, america, australia, the middle east, africa market friends to join! mob:0086-13923100031
