产品详情

海关联盟俄罗斯家具认证与欧盟的家具不同，不接受强制性CE标志，欧亚经济联盟对家具有一项特殊的技术法规，要求EAC认证和EAC符合性声明，产品需要标识EAC标志。

技术法规TR CU 025/2012关于家具安全规定了家具产品及其使用的要求，以保护生命、健康、财产和环境。此外，标记旨在保护消费者免受滥用和误导性广告的伤害。

根据TR CU 025/2012家具的制造方式应符合家具安全要求。这些包括：

In contrast to the European Union,where the furniture is generally not subject to compulsory CE marking,there is a special Technical Regulation in the Eurasian Economic Union,which requires conformity assessment and EAC marking.

The Technical Regulation TR CU 025/2012 On safety of furniture sets the requirements for furniture products and their use in order to protect life,health,property and the environment.Furthermore,marking is intended to protect consumers against misuse and misleading advertising.

According to TR CU 025/2012,the furniture should be manufactured in such a way that it meets the requirements of furniture safety.These include:

mechanical safety机械安全

chemical safety化学品安全

hygienic safety卫生安全

fire safety防火安全

electrical safety电气安全

The compliance with the requirements of the Technical Regulation TR CU 025/2012 On safety of furniture is the prerequisite for successful access to the Russian and Eurasian market.

Adopted on June 15,2012

Came into force on July 15,2014

On March 1,2016,the Technical Regulation TR CU 025/2012 replaced the national standards of technical regulation in the field of furniture safety such as GOST or Russian TR.

Application area of TR CU 025/2012 On safety of furniture

The Technical Regulation TR CU 025/2012 applies to all furniture which is placed on the Eurasian market,i.e.either manufactured or imported from abroad.Individually crafted designer furniture is also covered by these rules,while second-hand furniture is not.
