How to register the bidding company \_ apply for registration standards and steps

This is a part of the news about international auction, auction industry and even the most popular international auction of Internet technology. In fact, whether online or offline promotion of auction, we can predict that the auction industry also has a very great development potential. Many people say that now the collection has been stripped of almost, but in fact, from the years of spring photography and autumn photography results, we can see a lot of happy and gain. In order to better assist a large number of customers who want to register for the international auction, the following people will say key about how to register the auction company, and its registration standards and procedures.

### 【国际拍卖申请注册标准】

国际拍卖申请注册对工作人员证书有哪些实际的规定？

申请注册一家国际拍卖，那麽便是要举办各式各样线上与线下的竞拍主题活动，那麽竞拍就需要有的竞拍工作人员，那麽便是具备组织竞拍职业资格证的拍卖师+一般来说，如今运营一般工艺品和产品竞拍的国际拍卖，申请注册时必须有一名以上的技术拍卖师，三名以上的拍卖行业工作人员+涉及到文物局报备珍贵文物竞拍得话，必须有五名以上的珍贵文物拍卖师+拍卖师的条件得到并不易，许多要想进行国际拍卖申请注册的申请者很有可能都不能满足这一申请注册标准+大家可以给予技术拍卖师挂靠。

[International Auction Application Registration Standards]

What are the actual provisions of the staff qualification certificate for the international auction application registration?

To apply for the registration of an international auction, then it is to hold a variety of online and offline auction theme activities, then the auction requires a professional auction staff, that is, the auctioneer with the organization of bidding professional qualification certificate. Generally speaking, today the operation of general handicrafts and product

international auction, must apply for registration of more than one technical professional auction division, more than three auction industry staff. In the auction of precious cultural relics, there must be more than five precious cultural relics auctioneer. The auctioneer's conditions are not easy, and many applicants who want to register for an international auction will most likely not meet the registration criteria. You can give the technical professional auctioneer qualification attached.
