

灶具节能燃烧器 申牌 北京伸耀

产品名称	灶具节能燃烧器 申牌 北京伸耀
公司名称	北京伸耀节能灶具有限公司
价格	2980.00/套
规格参数	品牌:申牌 材质:北京伸耀 规格:北京伸耀
公司地址	北京市顺义区李桥镇李家桥村东
联系电话	81474386 13681569021

产品详情

品牌	申牌	材质	北京伸耀
规格	北京伸耀	产地	北京
功能	节能	灶形	台式灶
灶眼	单眼		

北京伸耀节能灶具有限公司位于北京市顺义区李桥镇，公司成立于2001年6月，注册资本280万元。技术研发和生产车间面积1200平米，拥有中、高级专业技术人员27人。我公司是一家专业从事燃气、燃油中餐灶具节能技术研发、生产与安装服务于一体的高新技术企业。

北京伸耀节能灶具有限公司开发研制的灶具节能自动点火装置，采用全自动控制技术，既可为在用的灶具进行改装，又可为灶具生产厂家进行配套，节约燃气30—40%，节约燃油40%以上，实现了“人需火着，人离火灭”，灶具不需调风、调气，安全方便，自动操作，燃油灶具不需预热。节约了能源，减少了污染，改善了工作环境，减轻了劳动强度，是灶具生产行业技术创新和使用观念的一顶革命。

本产品使用于餐饮业和家庭，通过国家专业权威机构的检测，符合国家标准，并获北京市节能产品认证。

beijing shenyao energy saving appliance limited company is located in the li qiao zhen shunyi area beijing, the company had been established june, 2001. the registration capital 2.8 million yuan. the technical research and development and the production workshop area 1,200 square meters, have, the high-level specialized technical personnel 27 people. the our company which is specialized is engaged in the fuel gas, the fuel oil chinese meal stove has the energy conservation technology research and development, the production and the installment serves a high-tech enterprise.

the stoves which have the energy saving auto-ignition installment, developed by beijing shenyao energy saving appliance co., ltd, use the entirely automatic control technology, both may reestablish the stoves which are being used, and may equip the stoves for the stove production factory. this production saves fuel gas 30-40%, saves fuel oil above 40%, has realized “ the person to need the fire, the person extinguished to the fire ”. the stove does not need

to adjust the wind, to control one ' s breathing, safely and conveniently and automatically operate. the fuel oil stove does not need to have preheating. saved the energy, reduced the pollution , improved the working conditions, reduced the labor intensity, is the stove which has the production profession technology innovation and a use concept revolution.

this product is suitable for the dining industry and the family, has passed the national specialized authoritative organization ' s examination, has conformed to the national standard, and has attained the beijing energy saving product certification.
