产品详情

QGS is a leading provider of supply chain compliance solutions, that partners with brands, retailers and importers to secure, manage and optimize their suppliers in China.

QGS offers the best inspection services (One To One Services) with the lowest complaint in China.

Only Full time inspectors are used

We always use full-time inspectors to perform the inspections, Some inspection companies also claim that they use full-time inspectors, but they also use many part-time and freelancers to fill gaps frequently. QGS insists on using only full-time inspectors to provide long-term and reliable value to our clients. Most of clients cooperated with us over 15years!

Professional Team:

280+ inspectors, 30+ engineers & customer service are with at least 5 years' college education and 3 years' working experience in related fields.

Lower Price:

Only 200usd/man-day for inspection service, 240usd/factory audit.

Our prices are very competitive, the price of most companies are much higher than ours, and the

service we provide will be better. it will save a lot of money for your companies, thereby improving the competitiveness of the product.
