

通用LED车灯 汽车尾灯

产品名称	通用LED车灯 汽车尾灯
公司名称	黄寿元（个人）
价格	.00/个
规格参数	类型:汽车尾灯 品牌:ST 型号:1156
公司地址	中国 广东 惠州市惠城区 惠州市惠城区小金乌石下黄组431栋3楼
联系电话	86 0752 2029090 13652798304

产品详情

类型	汽车尾灯	品牌	ST
型号	1156	光源功率	50 (W)
电压	12 (V)	外形尺寸	50*25 (mm)
电流	5 (A)	使用寿命	20000 (小时)
材质	ABS	光通量	500
光源	LED	色温	6000

型号：1156

功率 50w

电压：12v

led：5050 power led

features:01) maintenance free, easy installation;02) shockproof (high shock / vibration resistant)03) built-in current limiting resistors;04) durable, long lifespan 100, 000+ hours (10 years);05) designed to work in negative ground vehicles;06) low power consumption;07) high intensity;08) eco-label, major power savings;09) major reduction in, heat generation;10) one-year lamp warranty.11) low heat generation12) super white lighting provides a high level of road safety at night driving.13) fast active;14) pure color with nice appearance;

advantages of car led lighting:1. competitive price (you buy from a big led factory directly)2. assured quality (we have been producing led over 5 years and we have professional qc process)3. super delivery time, we will ship within 3 working days after clear paypal, western union ort/t payment4. best service (all salesman or technician in stshine are good english-speaker, who can offer more quick communication for buyers)5. stshine are senior member of dhl, ups

and fedex, and other shipping agents. we are enjoying a discounted shipping cost.6. oem & odm service. according to customers design, we produce different ledbulbs for you with different led light source and led quantity.
