文物鉴定公司注册办理,由于不涉及许可证这方面的审批,只要成功获得相应经营范围即可展业,所以文物鉴定公司目前办理难度,主要是在于"文物鉴定"相关经营范围的审批上,现在由于工商已经限制这类经营范围批准,基本都是用艺术品鉴定、收藏品鉴定来替代,这也以为这文物鉴定公司的审批可能会迎来新的制度改革,后续可能会和拍卖公司、文物商店一样,变成后置审批制度,公司注册后还需进行相应经营许可证的办理,才可展业经营。 Cultural relics appraisal company registration, because does not involve the examination and approval of the license, as long as the success of corresponding business scope can exhibition, so the cultural relics appraisal company with difficulty, mainly lies in the "cultural relics appraisal" related business scope of approval, now because industry and commerce limits such business scope approval, basic is replaced with art appraisal, collection appraisal, this also thought the cultural relics appraisal of the company's approval may usher in a new system reform, subsequent may and auction companies, cultural relics stores, into a rear approval system, company registration also need to corresponding business license, can exhibition business operation.

文物鉴定公司注册方法：

- 1.通过渠道进行"文物鉴定"行业描述的公司名称核名审批;
- 2.通过渠道进行"文物鉴定"经营范围的审批;
- 3.拿到营业执照后办理完毕,进行报到、银行即可;。 Registration method of cultural relic appraisal Company: 1. Check and approve the name of the company described in the "cultural relic appraisal" through channels; 2. Approval the business scope of "cultural relic appraisal" through channels; 3. After getting the business license, the registration and bank can be completed.

另外,文物鉴定公司注册需要面对的另外一个问题,就是公司名称,虽然说经营范围成功获得文物鉴定相关描述即可,但是一个主营文物鉴定的公司,公司名称为艺术品鉴定或者收藏品鉴定类似的描述,还是不够突出主业,由于现行注册要求,北京地区新注册公司,公司带文物二字的名称已禁用,所以文物鉴定公司的核名也成为了申请的一个难题。
