

# 全自动品牌可定制OEM 烟纸上胶机，印刷分切机

产品名称	全自动品牌可定制OEM 烟纸上胶机，印刷分切机
公司名称	泉州市泰峰机械科技有限公司
价格	150000.00/台
规格参数	中闽泰峰:TF- CPM
公司地址	福建南安市大霞美光电基地创造路22号
联系电话	059586711915 13599759727

## 产品详情

TF-CS Cigarette paper making machine

Step1: Cigarette paper printing,gluing and slitting

Feature:

It is used to make all kinds of specification ' s smoking paper with watermark,  
gluing and slitting into bobbin paper such as cigarette paper, threaded paper,  
brown smoke paper and so on.

General Specification:

1. Quantity of color printing:1-2.
2. Group of color printing can be selected to add or reduce by customer ' s

requirements, and the both sides of smoke paper can be continuously finished

watermark printing and gum gluing at the same time.

3. It will be set a converter motor on main machine.

4. It adopts magnetic clutch and automatic tension system on unwinding section and unwinding traction.

5. It adopts torque motor on rewinding and rewinding traction.

6. It adopts pneumatic system on printing roller, traction roller and scraper blade.

7. Way to install plate: Installation with roller.

8. Ink circulation system.

9. Cutting width size: 36mm, 44mm, 54mm

Model	TF-PGM550
Diameter of printing plate	100-320mm (It can be customized)
Max.width of printing	550mm
Diameter of rewinding and unwinding	1000mm
Speed of printing	5-60m/min
Printing precision	0.15mm
Drying mode	Electricity
Power	44kw
Weight	3000KG
Machine dimension(L*W*H)m	6500*1100*2500m

Final Products and application :
