

# 发电机组散热器(50-2000)

产品名称	发电机组散热器(50-2000)
公司名称	扬州赛叶散热器有限公司
价格	.00/个
规格参数	品牌:赛叶 型号:(50-2000)KW
公司地址	扬州市江阳工业园区内
联系电话	0514-87638238 15952738138

## 产品详情

品牌                      赛叶                      型号                      (50-2000)KW

company

yangzhou sai ye intercooler co. ltd is a specialized manufacturer of intercooler. the efficiency of the intercooler is very high and is widely used in the hydraulic industry, petroleum and chemical industries, car industry, transport machinery, air conditioning industry and electrical industry. the intercooler manufactured by yangzhou sai ye intercooler co. ltd is one of the best in china. the products is under <iso9001-2000, iso/ts16949 international quality product> certification.

presently our products exported to japan, south east asia, europe and america. the company annually produces over 1 million high quality radiator products by single producing line. if you are an automotive professional, be assured that we will continue to offer you a broad range of quality cooling system products at a fair price.

supply

stainless steel intercooler, pipe type intercooler, air conditioning intercooler, oil intercooler, heat exchanger, car radiator, aluminum heat exchanger, and aluminum heat evaporator. we can supply cooper, aluminum and alloy intercooler.

we can produce according to you drawing specifications. our quality and pricing will meet your requirement. all enquiries are well come!
