

## Cone crusher

产品名称	Cone crusher
公司名称	Henan Hongxing Mining Machinery Co., Ltd
价格	面议
规格参数	
公司地址	Tanxiang Road, High & New Technology Industries Development Zone
联系电话	8637167776666 15837187031

## 产品详情

This series of crusher is used for crushing of ores and rocks, the advantages are: reliable structure, high efficiency, easy-to-adjust and economical. The safety spring system is the overload protection device, which makes foreign material goes through the machine without bring any hurt to it. The sealing modes are oil and water, which segregate the stone powder and lubricating system. The crushing chamber is decided by the purpose of ore, the standard model is suitable for medium crushing; the medium model is suitable for fine crushing and the short head model is suitable for fine crushing
