产品详情

*This diaper bag (DIMENSION:15.7lx9.4wx4.7h inches, only 1.27lb) is very practical, in total 11 pockets, including the main central large pocket, front pocket, anti-theft pocket on the back. It ' s enough to hold most of baby essentials and still look perfectly organized, without being too large or too small. Insulated Bottle Pockets can hold most of wide neck or tall baby bottles

*This diaper backpack is made from durable and waterproof fabric and durable SBS zippers; reinforced seams in shoulder straps and handle; waterproof outside coating and one waterproof compartment for baby wet clothes, frequently used bibs or diapers.
