

日本氢能源燃料电池展FC EXPO2024

产品名称	日本氢能源燃料电池展FC EXPO2024
公司名称	上海京硕展览有限公司
价格	.00/件
规格参数	
公司地址	龙阳路2345号
联系电话	18939750396 18939750396

产品详情

2024日本国际氢能源燃料电池展览会

FC EXPO

展会时间：2024年02月28-3月1日；东京BIG SIGHT 展馆

展会时间：2024年10月02-04日；千叶幕张展览馆

展会时间：2024年11月；大阪国际展览馆

展会规模：约1200家参展商；参观人数：约50000名；

主办单位：励展博览集团日本株式会社

组展单位：上海贸升展览服务有限公司--日本展会服务商

展会介绍

“2023年日本东京氢能及燃料电池展览会FC EXPO”将于2023年03月15-17日在日本东京有明国际会展中心Tokyo Big Sight International Exhibition Center举行，该展是由日本励展举办，展览会一年二届，该展会也是企业打开日本市场非常重要的一个平台，日本东京氢能及燃料电池展览会FC EXPO上届吸引来自450家参展企业，客商数量达到27000人，展会面积达到25000平方。日本东京氢能及燃料电池展览会FC EXPO创办于2005年，由日本励展公司主办，是世界大的氢能及燃料电池展览会，此次展会汇聚了氢能及燃料电池的各种相关高端技术、材料、部件和先进装备。日本东京氢能及燃料电池展览会FC EXPO聚集了国际一线厂商，如丰田、本田、铃木、松下、东

芝、液化空气、巴拉德等，参观买家来自燃料电池制造商、汽车制造商、电子制造商、热电联产系统供应商、建筑/工厂相关公司、石油/天然气/电力等能源相关公司、政府/市政府、投资者等。

同期举办展会

1、FC EXPO氢能及燃料电池展

FC EXPO 是世界上大的氢燃料电池展。的国际展览会，展示用于氢和燃料电池研发和制造的各种技术、组件、材料、设备和成品燃料电池。

2、PV EXPO太阳能光伏展

PV

EXPO是日本大的光伏产业展会。新的技术、材料、制造技术和太阳能电池/组件将在全球范围内展出。

3、BATTERY JAPAN二次电池展

BATTERY JAPAN

是的充电电池国际展览会，展示用于充电电池研发和制造的各种组件、材料、设备和成品充电电池。

4、SMART GRID EXPO智能电网和储能系统展

SMART GRID EXPO

是日本大的国际智能电网和储能系统展会，展示了与智能电网和智能社区相关的各种技术和产品。

5、WIND EXPO风力发电展

WIND EXPO是日本大的风能展。从组件、设备、各种服务到风力涡轮机.....将展示各种产品和技术。

6、BIOMASS EXPO生物质发电展：

BIOMASS EXPO

是日本大的生物质发电展览会。专门展示生物质发电及其相关设备、技术和服务的展览会。

参展范围

燃料电池系统/产品专区：下一代燃料电池系统、汽车燃料电池、住宅燃料电池、热电联产系统等

氢气生产/储存/供应区：制氢设备、阀门、氢气运输/储氢罐、压缩机、吸氢合金、燃料电池检测器、加氢站、流量计、表面处理、焊接等

燃料电池制造/开发区：燃料电池、电堆、电极、电解质、催化剂、分隔器、评估设备、丝网印刷、委托分析、切割，难加工、新闻技术等

Japan International Hydrogen Energy Fuel Cell Exhibition 2023

Spring time: March 15-17,2023; BIG SIGHT Pavilion, Tokyo

Autumn time: September 13-15,2023; Chiba Zhang Exhibition Hall, Japan

Winter time: 15-17 November 2023; INTEX Hall, Osaka

Exhibition scale: about 1,200 exhibitors; visitors: about 50,000;

Sponsor: Reed Exhibition Expo Group Japan Corporation

Exhibition organization unit: Shanghai Trade Sheng Exhibition Service Co., LTD. - -Japan exhibition professional service provider

Exhibition introduction

"FC EXPO, 2023 Tokyo Hydrogen Energy and Fuel Cell Exhibition" will be held on March 15-17, 2023 at Tokyo Big Sight International Exhibition Center, Tokyo, Japan. The exhibition is held by Japan. The exhibition lasts twice a year. The exhibition is also a very important platform for companies to open up the Japanese market. The FC EXPO of the Tokyo Hydrogen and Fuel Cell Exhibition last attracted 450 exhibitors. The number of merchants has reached 27,000. The exhibition area has reached 25,000 square meters. FC EXPO, founded in 2005 and hosted by Reed Exhibition of Japan, is the world's largest hydrogen energy and fuel cell exhibition. The exhibition brings together various high-end technologies, materials, components and advanced equipment related to hydrogen energy and fuel cells. Tokyo hydrogen and fuel cell exhibition FC EXPO gathered the international line manufacturers, such as Toyota, Honda, Suzuki, Panasonic, Toshiba, Air Liquefaction, Ballard, visiting buyers from fuel cell manufacturers, automobile manufacturers, electronics manufacturers, cogeneration system suppliers, construction / factory related companies, oil / gas / power and other energy related companies, government / municipal government, investors, etc.

Scope of participation

Fuel cell system / product area: next-generation fuel cell system, vehicle fuel cell, residential fuel cell, cogeneration system, etc

Hydrogen production / storage / supply area: hydrogen production equipment, valves, hydrogen transportation / hydrogen storage tank, compressor, hydrogen absorption alloy, fuel cell detector, hydrogenation station, flowmeter, surface treatment, welding, etc

Fuel cell manufacturing / development zone: fuel cell, reactor, electrode, electrolytes, catalyst, separator, evaluation equipment, screen printing, commissioned analysis, cutting, difficult processing, new technology, etc
