texture pattern

It is a soft and silky unit made with high quality virgin hair that has been processed to a supple body wave texture that will give you a gorgeous and versatile look that is perfect for any occasion. The curl pattern is permanent and returns when the unit is wet and air dried.

This unit requires minimal maintenance. The wave pattern can be washed and worn as is, or it can be curled and styled as desired. The hair texture is soft, silky, and flows nicely.

Choose from any of our pictured styles or you can send us a picture of what you want, we are greatly at texture/curl matching!

texture chart:
