

微电脑数码光波炉 220 (V)

产品名称	微电脑数码光波炉 220 (V)
公司名称	茂名市茂港荣丰实业有限公司
价格	106.00/只
规格参数	型号:RF-2A207 功率范围:1600W-1800W (W) 电源电压:220 (V)
公司地址	中国 广东 茂名市 茂名市茂港坡心新坡01号
联系电话	86 0668 2616666/2616866 13828696696

产品详情

型号	RF-2A207	功率范围	1600W-1800W (W)
电源电压	220 (V)	电源频率	100 (Hz)
品牌	美加丽		

rf-2a207 (key mode) maximum power 1600w-1800w classic lines, clear keypad design, easy-to-use, modern fashion. file seven key design features, more human, more sensible. seven digital display, voltage, power consumption, an appointment time,to make the digital digital display. led direct the work of a variety of state functions at a glance. booking a variety of cooking mode, do not pan out, the pan with allapplicable (plastic). furnace warm surface protection of the warning signs, the user would havemore confidence, more secure. wide-voltage design, voltage from 110v-250v products can still workproperly. wide power design, according to the different cooking transfer request, forpower levels from 100w to 1800w. four halogen infrared heat pipe design, firepower more evenly, gengmeng(rf-2a207). in-house products to have safety devices or forget the unusualcircumstances related electrical power can play a security role.
