

# 蔡司新款测距望远镜5245548黑色款8X42T\*RF 蔡司一级代理

产品名称	蔡司新款测距望远镜5245548黑色款8X42T*RF 蔡司一级代理
公司名称	武汉克亿迪仪器设备有限公司
价格	27000.00/台
规格参数	品牌:蔡司 测量量程:15-2300米 精度:1米
公司地址	湖北·武汉·武汉市东湖技术开发区关山大道38 8号智慧园
联系电话	13545864806 13545864806

Victory range finder is a laser rangefinder with real-time trajectory calculation function. The rangefinder will consider almost all relevant factors and can be personalized with the help of Zeiss hunting app to ensure accurate positioning and shooting at almost all distances. There are 8 times and 10 times rangefinders with objective lens aperture of 42mm and 54mm (8x42, 10X42 and 8x54 / 10x54).

You only need to see the target. After pressing the measure button, you can see the reliable and accurate distance between you and the target. The rangefinder can accurately measure the distance up to 2300 meters. The nests of ground nesting birds are accurately located by one click measurement mode, or the migration heights of cranes and geese are measured by scanning mode. The accuracy of laser rangefinder provides the possibility.
