

non-woven polyester

产品名称	non-woven polyester
公司名称	苏州岚山新材料科技有限公司
价格	.00/件
规格参数	
公司地址	太仓市城厢镇新毛区新横村十一组1号
联系电话	0512-53650309 15962281771

产品详情

non-woven polyester

Polyester fiber heat insulation cotton is a kind of fabric formed without spinning and weaving. It is only formed by carding and arranging the fibers to form a fiber mesh structure, and then reinforced by hot melting, bonding and other methods.

Polyester fiber heat insulation cotton is polyester fiber processing from a new type of environmentally friendly fiber products
