ROMANTIC JUNGLE

ファッションDX EXPO (FASHION DIGITAL TRANSFORMATION EXPO) , ファッション小物 (Fashion Accessory)

Romantic Tiger is a premium handmade legwear that expresses a special, beautiful, and intact brand that is different from others. It started by focusing on the inner side that everyone wants to be loved and recognized, just as there is an inner side that wants to be loved by a rough Tiger. Repeated movement. It was created by reinterpreting the same actions that occur at the same time every day in detail without simply looking at them. As it is a premium brand, it is

produced through strict quality control and process control, consists of products that pass the standard appearance inspection,
