FCC KDB 986446 D01 Covered Equipment  
v01??

根据FCC KDB 986446 D01 v01 Item II. 3 :

Question: Are all applicants required to submit certifications regarding “covered” equipment for all equipment authorization applications?

Answer: Yes, the certifications are required for all applications received after the effective date of the rules, regardless of the type of equipment or whether the equipment is produced by an entity identified on the Covered List as producing “covered” equipment.
