

棒棒糖包装机 包装设备 其他

产品名称	棒棒糖包装机 包装设备 其他
公司名称	东台市朝阳食品机械有限公司
价格	.00/个
规格参数	糖果设备种类:包装设备 适用范围:其他
公司地址	东台市东台镇灶南居委会四组
联系电话	13655110108

产品详情

糖果设备种类

包装设备

适用范围

其他

(1). it applies for packing the head of spherical lollipops, automatically material-entering device of candy settling plate, it has the feature of new structure, pretty style, low noise, working smoothly and convenient to repair.

(2).ac motor with converter, controlled with infinite speed control.

(3). automatically controlled and followed b y photoelectric computer.

(4). it can eliminate the packing error effectively, 100% packing rate, no empty package.

(5). inspected by photoelectric sensor, tracked by bi-directional with high speed and accurate design.

(6). the parts of the machine contacted with food are made of stainless steel which is up to be healthy standards.

technical parameter:

packing speed: 10-130pieces/min.

spherical diameter (mm):20-25

packing film: bopp+cpp, pet+cpp and other composite materials

total power: 3.8v, 2.1kw

machine size (mm):2500*900*1500
