

Forsage DeFi（佛萨奇）合约源码开发

产品名称	Forsage DeFi（佛萨奇）合约源码开发
公司名称	广州杰肯狸网络科技有限公司
价格	1000.00/件
规格参数	
公司地址	广州天河区中山大道
联系电话	18125913365 19927739756

产品详情

Forsage is a decentralized matrix platform that ’ s based on the Ethereum blockchain. It aims to connect people from all over the world and provide them with limitless opportunities. The main advantage of Forsage is that it doesn ’ t store any funds of the users. Instead, they immediately go to the person who completed the conditions, provided by the smart contract, for receiving it. The platform has multiple plans to choose from, including x3, x4 and xGold.

Forsage dApp is a crypto asset from the High-Risk category built on the Ethereum protocol. Now it ’ s ranked as #5377 in general dApp rankings according to the user count, and #879 in the High-Risk category, which gives you a good idea of how Forsage dApp performs among its competitors.

By analyzing Forsage dApp data in the last 30-day window, it ’ s evident that the dApp ’ s Balance is \$262, and the Volume is bearish with \$0. Forsage has generated 0 Transactions with a drop in the 30-day period. Clearly, the Volume has been steady by 0% in comparison to the previous 7-day period. The data of the last 7 days show that the Forsage user base is 0 & has been stable by 0%.

We also recommend taking a look at the Forsage Activity Overview & Balance of Smart Contracts graphs to see how these important metrics fluctuate & change over time.
