

CRC-TRFP4*2*0.52超五六类双屏蔽耐高温网线

产品名称	CRC-TRFP4*2*0.52超五六类双屏蔽耐高温网线
公司名称	上海长柔电缆有限公司
价格	.00/米
规格参数	品牌:长柔 材质:硅胶 产地:上海
公司地址	上海市浦东新区沪南公路4880号
联系电话	021-80182088 18717906624

产品详情

耐热网络线（硅胶）：CAT5E硅胶耐热网络线适用持续高温环境下网络监控系统数据传输电极连接线。如炼钢厂加热炉，航空工程，科学技术，冶金工业化工厂，电力工程炼油厂，船只路面等持续高温行业及车辆生产制造，食品机械设备，电器附件，烘干房固化炉等。 CAT5e high temperature 150 degree network cable (silicone rubber): CAT5e silicone rubber HXT CAT5e high temperature 150 degree network cable (silicone rubber): CAT5e silicone rubber high temperature network cable is suitable for network video monitoring signal transmission connection line under high temperature conditions. Such as steel plant boiler, aerospace, national defense science and technology, metallurgy and chemical industry, electric power, oil refining, ship road and other high-temperature fields and vehicle manufacturing, food machinery, lighting appliances, baking oven, etc. High temperature resistant network cable is suitable for network video monitoring signal transmission connection line under high temperature conditions. Such as steel plant boiler, aerospace, national defense science and technology, metallurgy and chemical industry, electric power, oil refining, ship road and other high-temperature fields and vehicle manufacturing, food machinery, lighting appliances, baking oven, etc.

电导体

4x2x0.52

电导体孔径

0.52mm ± 0.004/1

绝缘层

聚四氟乙烯

铜芯电缆色调

白色/蓝色，白色/橙色，白色/绿色，白色/棕色

填充料

耐热填充材料抗压强度

总屏蔽掉

镀锡铜编制屏蔽掉

绝缘护套

硅胶绝缘护套

绝缘护套色调

灰黑色 橘色（可根据需要订制）
