

Novagard G635 Silicone Compound

产品名称	Novagard G635 Silicone Compound
公司名称	上海恩莱保贸易有限公司
价格	.00/件
规格参数	Novaga:G635
公司地址	上海市松江区金高路2388号813室
联系电话	86-021-20228098 13391171050

产品详情

Novagard G635是一种无定形气相硅增厚，甲基二苯基聚硅氧烷为基础的化合物。

Data Sheets

Product Properties

Brand

Novagard

Product Information

Applications:

Novagard G635 is an excellent dielectric compound with good moisture barrier and corrosion resistance properties.

Among other applications, G635 has been used successfully on high voltage insulators, connectors, disconnect junctions, automobile and aircraft ignition systems and other electronic equipment.
