

# 10G T1330nm/R1270nm LC BOSA 光器件

产品名称	10G T1330nm/R1270nm LC BOSA 光器件
公司名称	陕西源度光汇科技有限公司
价格	.00/件
规格参数	
公司地址	陕西省安康市高新技术产业开发区新地经济产业园大数据、互联网经济区V6号厂房
联系电话	17734646401

## 产品详情

SD-B-LC-3327-66-20KM-IS-10-I

Product features 1330nm DFB laser diode transmission with InGaAsP monitor photodiode. Low threshold current, high bandwidth. LC receptacle with single mode fiber stub and split sleeve. RoHS compliant and Lead Free Compliant with Telcordia GR-468 reliability test standard. Commercial operating temperature range: -20°C to 70°C

Applications LR1 SONET/SDH OC-192/SMT-64 10 Gigabit Ethernet

We will provide you with competitive price according to the quantity of your order. The larger the quantity, the greater the discount.
