

## SPS C132

产品名称	SPS C132
公司名称	雄达（东莞）塑胶原料有限公司
价格	面议
规格参数	
公司地址	东莞市樟木头镇塑胶原料市场
联系电话	0769-18028910979 13649804300

## 产品详情

供应SPS C132 Japan Idemitsu Petrochemical Co., Ltd. Physical Property Data

Description of some of the specifications of raw materials Level: --- Color: --- The Usage Overview: --- Remark:  
Features: GF30%, glass fiber steel products.

raw technical data Performance of projects to test conditions [state] test method of test data data units Basic  
properties of water absorption ----- 0.05% The proportion of the physical properties ----- 1.25 --- Mechanical  
properties is done ----- 105 MPa breaking strength The breaking elongation ----- 2.3% Flexural strength ----- 165  
MPa And ----- 8100 MPa flexural modulus IZOD impact strength 4mm Notch --- 10 kj/m2 IZOD impact strength  
3.2mm No Notch --- 40 KJ/m2 Processing performance mold shrinkage MD --- 0.35% Heat distortion temperature  
of the thermal properties ----- 235 ° C Flammability of the 1/32 inch UL 94 HB ---
