

供应 Nemcon H PK DP110/X5耐候级PEEK

产品名称	供应 Nemcon H PK DP110/X5耐候级PEEK
公司名称	深圳市嘉誉鑫科技有限公司
价格	.00/件
规格参数	
公司地址	深圳市龙华区大浪街道高峰社区长燊大厦3层
联系电话	1326-5555881 13265555881

产品详情

Nemcon H PK DP110/X5

聚醚醚酮

Ovation Polymers Inc.

Product Description:

Nemcon H-series products are designed for use in high performance electronic assemblies where heat removal is critical to system performance. Nemcon H PK DP110/X5 is a thermally

conductive polyetheretherketone, offering excellent chemical resistance, good stiffness and high HDT. It should be used in demanding applications where thermal management must be

Nemcon H PK DP110/X5 :

accomplished in harsh environments.

Typical Applications

Housings for power components, such as motors, coils, and transformers.

IC thermal management components, such as heat sinks, heat spreaders, or heat pipes.

Critical military/aerospace applications involving severe environments.
