产品详情

Our advantage lies in:

1. Having a highly cost-effective pricing advantage, saving you money is the ultimate principle.
2. The whole city has door-to-door pickup options, and some first tier and second tier cities in China have logistics dedicated lines to receive goods, which is fast, efficient, and worry free;
3. Independently record orders, provide transfer numbers within 4 hours after picking up items in Dongguan city, and have fast internet access time;
4. Advanced and efficient international express online management system, providing customers with membership functions such as online price checking, online tracking, online customer service, logistics tools, and online bill management; 400 unified ordering customer service system;

5. Advantage express delivery route: Hong Kong DHL agency channel; Mainland FedEx channels include the United States, Canada, Mexico, Western Europe, India, and Japan; Hong Kong FedEx Federal IP Priority Channel and FedEx Federal IE Economic Channel; Global UPS Red Order Priority Channel and UPS Blue Order Economic Channel; Singapore Malaysia Thailand Special Line and Taiwan Special Line;

6. A professional customs clearance team, responsible for customs clearance at Shenzhen Airport and designated port vehicles passing through the port;

7. Provide free value-added services such as receiving, inspecting, sorting, packaging, warehousing, reinforcement, and shipping;

8. Our commitment: not tampering with packaging, not stealing weight reduction, and compensating for lost goods in advance.

在保证您货物运费成本的同时又保证了时效。同时现我司经过资源整合后协同韩国当地服务商开通苏州-韩国国际快递.进出口国际空运.进出口国际海运.海运快递以及门到门私人物品包税出口-韩国服务，欢迎咨询。
