

# 欧雷玛蓄电池UN26-12X/12V26AH现货供应

产品名称	欧雷玛蓄电池UN26-12X/12V26AH现货供应
公司名称	德益仁合电源科技（北京）有限公司
价格	.00/件
规格参数	品牌:欧雷玛蓄电池 型号:UN26-12X 产地:广东东莞
公司地址	北京市怀柔区桥梓镇兴桥大街1号南楼203室（注册地址）
联系电话	18610093537 18610093537

## 产品详情

12V26ah Rechargeable Battery for Camping Lamp

Payment Type:T/T,L/C

Incoterm:FOB,CFR,CIF,EXW

Min. Order:100 Piece/Pieces

Transportation:Ocean,Land

[Get Latest Price](#)

type of battery:

Sealed lead acid battery

Deep Cycle: Sealed Agm

Rated Capacity:

26Ah

Rated voltage:

12V

Product Attributes

Model No.: UN26-12X

Brand: RIMA, OEM acceptable

Application: Toys, Electric Bicycles/Scooters, Uninterruptible Power Supplies, Power Tools,  
Home Appliances, Consumer Electronics, Electric Power Systems, Solar Energy Storage Systems

Certification: UI, Ce

Place Of Origin: China

Warranty Period: Other

Supply Ability & Additional Information

Packaging: CARTONS AND WOODEN PALLETS

Transportation: Ocean, Land

Place Of Origin: CHINA

Supply Ability: 20,000PCS per month

Certificate: CE, UL

HS Code: 850720

Payment Type: T/T, L/C

Incoterm: FOB, CFR, CIF, EXW

Packaging & Delivery

Selling Units:

Piece/Pieces

Package Type:

CARTONS AND WOODEN PALLETS

The RIMA UN26-12 battery is a spill-proof known for its exceptional features, including a high discharge rate, wide operating temperature range, long service life, and the ability to recover from deep discharge. This rechargeable is versatile, as it can be mounted in any position and offers excellent resistance against shocks and vibrations. Moreover, it delivers consistent high performance in both high and low temperature conditions. The 12V 26Ah Lead s highly popular and finds extensive use in various applications, such as mobility scooters, battery-powered wheelchairs,

backup power systems, and more. Notably, the UN26-12 battery stands out as it incorporates innovative internal design features, enabling its usage in both cyclic and standby applications.

#### Product Information:

Nominal Voltage(@25 ):	12V
Nominal Capacity (@25 ):	26AH
Weight:	8kg (17.637lbs)
Length:	166mm (6.535inches)
Width:	175mm (6.890inches)
Height:	125mm (4.921inches)
Total Height	125mm (4.921inches)
Terminal:	F13 or F4
Design life(@25 )	5-8 years
Warranty:	12 months
Certificate:	ISO9001, ISO14001, ISO45001, UL, CE, TLC
Package:	1pcs per Carton

#### Features of RIMA UN26-12 12V 26AH SEALED

Experience the incredible power and versatility of our top-of-the-line 26Ah AGM Battery. Designed to meet the demands of high-capacity storage, this battery is a game-changer for a wide range of applications.

Our AGM Battery features advanced technology and a sealed design, making it leakproof and suitable for operation and charging in any position. With its complete sealing, you can have peace of mind knowing that your battery is safe and secure.

Whether you're harnessing solar power, embarking on a camping adventure, driving a 4WD vehicle, or require auxiliary power, our AGM Battery is the perfect choice. Its deep-cycle capability and excellent discharge and recovery performance make it ideal for situations where efficient energy usage is paramount.

With its high-quality construction, our AGM Battery ensures reliable and consistent power output, allowing you to enjoy uninterrupted operation for extended periods. Say goodbye to frequent recharging and hello to long-lasting energy storage.

Designed to thrive in demanding conditions, our AGM Battery is built to withstand rugged environments. It is the ultimate companion for outdoor enthusiasts, providing trustworthy power no matter where your adventures take you.

Recognized for its excellence in performance, our AGM Battery has gained popularity in solar energy systems, camping setups, 4WD vehicles, and numerous auxiliary applications. Its versatility knows no bounds, and it seamlessly integrates into various systems, delivering exceptional functionality.

Upgrade to our high-quality AGM deep cycle Battery and unlock new possibilities for storing and utilizing energy. With its long-lasting power, reliable performance, and compatibility with a wide range of applications, our AGM Battery is the ultimate choice for those who value efficiency and reliability.

Don't settle for ordinary batteries when you can experience the exceptional performance of our AGM Battery. Trust in its reliable power, maximize your energy usage, and make every adventure an unforgettable one. Order your AGM Battery today and elevate your energy storage to new heights!
