

M8\*18mm,flush type,

产品名称	M8*18mm,flush type,
公司名称	南京德宝传感科技有限公司
价格	.00/普通
规格参数	
公司地址	南京南京市栖霞区迈皋桥金港大厦
联系电话	025-66098387 18061463070

## 产品详情

产品介绍small size, suitable for small space with surge, reverse polarity protection function case material: stainless steel protection grade ip67 (iec)性能参数installation of embedded detection distance appearance specifications j8\*18 the output of npn/pnp no/nc supply voltage 10...30vdc 1500hz switching frequency the switch point deviation  $\pm 10\%$  hysteresis range 1...20% repeated error is less than 3% the load current is smaller than 100ma residual voltage 2.5v current consumption than 10ma surge protection circuit, reverse polarity protection output indicator red led the ambient temperature -25...70 the humidity of the environment 35-95% protection class ip67 case material: stainless steel其他说明spot supply交易说明through the mail or msn
