

Drop Center Rear Axle

产品名称	Drop Center Rear Axle
公司名称	大连创捷技术有限公司
价格	面议
规格参数	
公司地址	辽宁省大连市中山区人民路15号， 国际金融大厦22F-I
联系电话	86-41185868799

产品详情

model	ch132
nominal load(kg)	13000
wheel tread(mm)	1840
max. troque output (n.m)	50000
housing spec.(mm*mm)	170*140
ratio	5.222/5.165
disc brake spec	22.5"
axle weight(kg)	920
matching model	12~25m bus
ch132 performance features	

1. carrier assembly offsetted, down gear box besides wheel, enables one-step-on of afterbody of large sized buses.
2. joint developed with s&t dynamics co., ltd., korea, secures reliability and low noise.
3. high drive efficiency, low weight, economic fuel consumption.
4. wide range of ratio, optional ratio according to different demand.
5. air suspension designation improving comfortableness.
6. 22.5" disc brake ensures reliability and stability of brake system.
7. most domestic suspension structures matchable.
8. standard abs enhanced vehicle stabilization and controllability.
9. a good alternative, same installation dimension with similar import

products.
